Nanaimo's Gov2.0 Experience

➤ 1. Focus on what you do best, Partner for all the rest

- build on what you already have.
- Use existing tools and services
- enhance what other jurisdictions have already developed

➤ 2. Think giant leaps, Take small steps

- identify smaller projects with high visibility and quick payback
- be flexible

➤ 3. Service oriented, not standards

- don't get hung up on obsolete policies

➤ 4. Teamwork

- Interdepartmental projects
- Share and cooperate with other municipalities
